Dear Parents and Caregivers,

School Uniform

With the cooler weather settling in now, I would like to again remind you that students are expected to wear school uniform. The School Board has approved the School Uniform and policy keeping in mind costs and accessibility of uniform items. Any bATSlack pants may be worn, however, if girls are wearing black leggings they must have shorts or a skirt over the top. Winter jackets are also available from the Uniform Shop and are the preferred option than any random coloured jumper.

Toy making

Last week Mr Lasic, the Design & Technology Teacher from Yule Brook College, came out to Bramfield Park with his Year 10 class to work with Room 2 and Room 8 students about designing and making toys. The older students asked our students about toys and what they like to play with. This gave the Yule Brook students some ideas that they will now go back to their Design and Technology classes to design and make these toys. We all eagerly await to see the finished product!

Life Education

In the last week of this term all students will have an opportunity to participate in an incursion from Life Education. This incursion is outlined in our Health Education Curriculum Operational Plan with a visit scheduled every two years to reinforce concepts covered in class Health Education lessons. Mr Gilders is currently finalising the timetable and Activity sessions so look out for more information coming soon.

Reporting to Parents Interviews

As indicated in previous newsletters and our Term Planner school will close early at 11.40am on Tuesday 27th June where all students will be dismissed for the day. A note will be sent home in the coming weeks for parents to select interview times to come in with their child, collect the semester one report and have an opportunity for a short discussion with the class teacher/s. We would love the opportunity for all parents to receive their report and meet with the teacher as an opportunity to discuss progress, identify areas to work on and celebrate success.

2018 Enrolments

Enrolments for 2018 are now being taken for students needing to enrol for Kindergarten. If you know of any families in the area or if you require an enrolment for Kindy next year, please pop into the Office. Additionally students in Year 6 will need to enrol for high school. Enrolments are currently open and close at the end of July.

Donation of old games

We are looking for any donations of Board Games or large games that the students can play at recess or lunchtime. While we are enjoying the beautiful sunny weather now, we know it won't last and want to make sure our students can still be engaged in activities during break times. If you have anything to donate please bring it to the office. Thank you.

Principal
