Dear parents / caregivers,

Once again we have had a very busy couple of weeks at Bramfield Park PS. The students are all in well established classroom routines now and the Year 5s and 6s preparations for camp are well underway.

School Board

Next Tuesday night, 22 March, the School Board will hold their Annual Public Meeting which is an open meeting for any families or community members that would like to attend. The Annual Report will be presented along with other Agenda items already scheduled. The meeting begins at 6pm in the Staffroom.

Cyber Safety Workshops

Last Wednesday night Paul Litherland from Surf Online Safe presented a cyber safety workshop for parents. Some of his key messages were:

- Parental passwords and settings can be set up for Social Networking sites to restrict content and language;
- Parents should introduce their children to social networking sites at a more progressive and moderated level, rather than children on everything all at once;
- Parents who take an active involvement in their child’s online activities are more likely to be spoken to about online issues.

Great resources are more information can be found at www.esafety.gov.au or www.surfonlinesafe.com.au

Paul also ran two workshops with students in Year 5 and 6 on Tuesday with the key messages he wanted students to think about being:

What I am about to post...
What I am going to say... and
Who am I going to speak to?

Naturescape

Last year a lot of information was presented through newsletters, staff meetings and assemblies about Naturescape. This week the fence enclosing our Nature scape area between Pre Primary and the front gate has been built. Students will begin to explore this area over the coming months with staff participating in a Kids Safe (naturescape) workshop at the start of next term. We are really excited about the development of this area and the opportunities that it will create for our students.

Communication

Staff use the Tiqbiz app regularly to communicate with parents. Please try and download the app from the App store or Google Play to ensure you are up to date with all information coming home from the school. Our website is also currently being updated so we hope by the end of term this is another avenue to access current information. bramfieldparkps.wa.edu.au Subscription for the school newsletter to be emailed electronically can also be accessed through the website.

Easter

Next week is Easter and the school will be closed on Friday 25 March, Monday 28 March and Tuesday 29 March. Students will return on Wednesday 30 March. We wish everyone in the school community a safe and happy Easter.

Jayne Murray
Principal
Students are reminded they can wear a National costume or dress in orange on Monday for Harmony Day.

**WIN!! with the Volunteer Incentive Program**

Come and help out in the school or attend a meeting. Each time you do you can earn yourself a raffle ticket to go into the draw at the end of the term. Great prizes to be won (see BACK PAGE)
