Dear parents / caregivers,

I trust all our families had a safe and enjoyable Easter break. We have one more week of school this term with the last day being Friday, 8 April. Students will resume school on Wednesday 27th April, after the ANZAC Day holiday and School Development Day.

Next week some of our Year 5s and 6s will be going to camp at Woodman Point. Mr Lake has been very busy and has organised many wonderful activities for the students. We have a number of staff attending camp throughout the week and I am sure we will hear fantastic stories upon the campers’ return!

Teachers of Pre-Primary students have completed the On Entry assessment for Literacy and Numeracy and will be meeting with parents next week to provide some feedback on their child’s development in these areas. Areas of strength and those areas requiring more development have been identified and parents will be provided with helpful strategies to assist their Pre-Primary student. I urge all parents of Pre-Primary students to attend these meetings as they will provide some vital feedback about your child’s development.

Some of our Year 4, 5 and 6 students recently attended the Summer Carnival, playing cricket and softball. Thank you to Miss Kirsten Morgan for all her organisation and to Mr Lake, Mr Huston and Ms Bailey for their supervision of teams at the carnival. I enjoy seeing students have the opportunity to excel in all areas of the curriculum and would like to thank the P&C for the contribution they make to reduce the cost of bus fare for our athletes.

ANZAC DAY

Our ANZAC ceremony will be held early next term on Wednesday, 27 April at 1.30pm. All parents and family members are most welcome to attend this service. Students are encouraged to bring in flowers (from the garden) to contribute to our wreaths that will be laid during the ceremony.

While Term 1 has been very busy, we have achieved a lot and we are all working together for the best learning and social outcomes for your children. We look forward to what will, be another busy period, next term with many P&C and school events already organised.

Jayne Murray
Principal

Have a safe and enjoyable holiday with your family.

Support the business that support our school
Bramfield Park’s P&C are currently assessing the viability of opening the canteen on Wednesdays. For the venture to be successful they will need volunteers to assist. An hour or two per week, month or term will help! Please register your interest by emailing the P&C on bramfieldparkpandc@gmail.com or leaving your contact details at the office.

We are also looking for new members to join our Committee. We meet twice a term for approximately one hour. This is a great opportunity to become involved in your child’s school and also meet new people. For further information send an email (as above) or friend us on our Facebook page – Bramfield Park P & C.
