Dear parents and caregivers,

Bush Dance

Last Wednesday evening we again hosted a Bush Dance at school. Despite the warm weather, it was a great night with students, parents and staff dancing along to Fiddler's Green bush band. We estimated that 85 families came along which was a great result for our school community. Thank you to Mrs Abbott for all her hard work in organising this enjoyable event and to the P&C for their financial support of the event and for selling refreshments throughout the evening!

Parent workshop

This week in conjunction with the Child and Parent Centre East Maddington we hosted a parent workshop on *How to support your child's speech and language*. The workshop provided an insight into stages of language development and how to support your child's speech and language skills.

If you would like more information, please pop into the office to collect some handouts.

NQS Verification Audit

Last week we had our first NQS (National Quality Standard) verification audit by a NQS team consisting of a member of staff from another primary school and someone from the Office of Early Childhood Development and Learning in Central Office. Last year we conducted our own internal audit and rated ourselves as working towards in all seven quality areas. Since this audit, however, staff led by Ms Ramsden have addressed a number of those areas in our K-2 classes that means we would now be meeting the standard in a number of quality areas. We look forward to receiving our verification audit report in the near future to continue to build on the wonderful work happening in Early Childhood at Bramfield Park!

Professional Learning

A number of staff have been involved in Professional Learning courses over recent weeks, with workshops continuing throughout the term. Accessing high quality Professional Learning programs is part of the school's teacher development process as well as providing support required for staff to implement school policies and strategies. We appreciate this can cause some disruption but the students have been working really well with the relief teachers and making good behaviour and learning choices!

Coming events

Next week students will be representing Bramfield Park at the interschool softball and cricket carnivals - good luck to those competing and their 'coaches' Mr Huston, Mr Lake and Mr Herbert. The following week sees out Year 5 and 6 students attending camp at the CYC WA Camp Cooloongup. Mr Lake has been finalising preparations and all student permissions and payment now need to be given in to the office.

Thank you,
Jayne Murray
Principal

SUBWAY

Please place orders in an envelope with exact amount and hand to office before Friday 17th March

Canteen

Open every Wednesday

Please see the school website for the latest menu

Second hand uniforms

We now have various second hand items available for a gold coin donation.

We will also gladly accept donations of unwanted uniforms in good clean condition. Please drop them off at the office.
