Dear parents / caregivers,

Well that brings us to the end of another term. Half way through 2017 – we certainly have had a busy first half of the year at Bramfield Park!

### **Reporting to Parents Interviews**

Thank you to all those parents who were able to meet with their child's teacher on Tuesday to collect and discuss the semester one report. We had 90% of children speak with their teacher and parent about their progress so far this year. This is a fantastic result. Teachers were able to celebrate successes and identify areas for focus next semester as well as discuss academic and social development. Well done to all the students for working so hard this term and engaging whole heartedly in the many wonderful learning experiences organised by our hardworking teachers.

### **Room 11 Assembly**

We were treated to a brilliant presentation at yesterday's assembly from the Year 3 students in Room 11. They entertained us with their Circus Spectacular. There were Ringmasters, Magicians, acrobats, tight rope walkers, animal trainers, impersonators, a mime, and of course clowns, who stole the show. Thank you to all the students, with help from Mrs Spector and Mr Huston, for all their work in getting ready for assembly. Congratulations also to the Merit and Class Citizen award winners. Some wonderful comments were written about the recipients and they should all be very proud of themselves.

### **Winter Carnival**

Last Thursday we had four teams participate in the interschool winter carnival. Two netball teams, one soccer team and one hockey team expertly coached by Ms Bailey, Mr Lake and Mr Huston. We were lucky the weather held off and all the students did very well with our soccer and hockey teams winning their carnival. It certainly was a fantastic effort!

### **Disco**

Last Friday night we had a Disco at the school organised by the P&C. It was a great night with lots of good music, dancing and games. The P&C did a fabulous job ensuring the undercover area was decorated, the canteen stocked and the more than 100 students who attended had a great time. Thank you also to our DJ, Mr Gilders, for keeping the students dancing throughout the night! I hope everyone is able to come to the next Disco in term 4 – they are a fun night!

### **Life Education**

Unfortunately our Life Education incursion had to be cancelled for this week due to the teacher being unable to attend. We have rebooked the incursion for the first week back next term. You can still complete a permission slip and pay if you haven't yet done so. A new timetable will be available after the holidays.

Finally, as we get ready for our midyear two week break, I would like to wish everyone a safe and happy holiday and we will see all students back at school on Tuesday 18 July.

## Interschool Carnival

Bramfield Park's Interschool teams braved wintry conditions last week to compete in what turned out to be a very successful Winter Carnival. The hockey team conquered all before them in the "B" division, winning all their games by comfortable margins. Stanley and Ezekiel were scoring machines and were unstoppable throughout the competition. In addition to our offensive prowess Bramfield's staunch defense made it very difficult for the other team to score. A true team effort by all!

BPPS also proudly sent two teams to represent our school at the Interschool Netball Carnival. The teams played in the B and C divisions with great enthusiasm and sportsmanship. They were congratulated on their sportsmanship by other schools competing with them. Both teams came third out of 8 teams.

The boys of the soccer team were keen to see how they measure up to the competition. They came out firing with quick fire wins of 8-0 and 9-1, with an unfortunate rebound the reason for the only blemish. Our first real challenge for game four, but it all came down to game five as we played Wirrabirra PS; the only other undefeated team. Tired legs struggled to do what willing minds intended, but after a brilliant long range strike, the tight tussle was won - 1-0 for the game and champions of division B.

Well done to all the students who competed.
