Dear Parents and Caregivers,

Bike Shed

Wow wow wow! Words cannot describe how amazing our Dads group the BUDs were on the weekend in cleaning out and revamping our Bike Shed. Trees were removed, branches cut down, leaves and sand cleared, bike racks set up, the ground mulched and now we have a brand new, clear and organised Bike Shed. Thank you so much to all the dads who were there between 7am and 12pm on Saturday doing this great job for our students. Also a big thank you to Rusty for coordinating this program with Mr Gilders - and helping make our school look amazing! If you haven't had a chance to have a look maybe bring your child through the back gate or ride a bike to school and see the great work for yourself. Please do remember to lock your bikes up in the shed, even though we lock the gates during the day.

Languages curriculum

Last week a note was sent home with students and emailed to all families about the addition of a second language into the curriculum next year. I would like to hear from everyone in the school community so please return your survey or reply to the email sent to have your say about which second language students will study.

Reporting to Parents Interviews

Notes have been sent home with all students this week about the selection of interview times to collect your child's semester one report and meet with their teacher. Please return the slip as soon as possible to ensure you get a convenient time. If no slip is returned you will be allocated a time. Interview times will be advised by the end of next week. If you are unable to make the interview please contact your child's teacher to arrange a more convenient time. A reminder also that all students will need to be collected at 11.40am on Tuesday, 27 June so teachers are available for interviews.

Winter carnival

I would like to wish our soccer, hockey and netball teams good luck for the winter carnival next Thursday. Permission slips have been sent home with those students selected in teams. Our coaches, Mr Huston, Mr Lake and Ms Bailey have been working hard training our teams and I am sure it will be a great day. Let's hope the great weather continues for carnival day!

Assembly Room 3

Finally, thank you to Mr Herbert and his Year 4/5 class for hosting last week's assembly. They performed an awesome song about what goes on in the classroom during wet weather when they can't go out and play. Luckily we haven't had many wet days so far this year, but when they come we have some great ideas! Congratulations also to all our merit certificate and class citizen award winners.
