Dear parents and caregivers,

Room 2 Assembly

Thank you to Miss Delaney and her Year 1/2 class for presenting last week's assembly. The students showcased their amazing Literacy skills and talked about all the things they have been doing in class this term. We were all entertained by their Zoo excursion video and the amazing dance performance with some pretty cool moves. We were all very impressed. Congratulations also to our Merit Award and Citizen of the Month recipients.

Jump Rope for Heart

Our students having been practising their skipping skills all term which culminated in a demonstration at our mini assembly yesterday. Students could nominate to be part of the individual competition or part of a team competition. The afternoon started with an endurance event before the competition, judged by Mr Gilders, Miss Ramsden and Mrs Spector. Congratulations to the winners of all our events who are now enjoying some awesome prizes organised by Mr Huston. It has been amazing seeing the tricks and skill progression from students of all ages throughout the term. Those students fundraising need to finalise entries by tomorrow.

The movie this year will be Ferdinand. Notes have already been sent home so please ensure permission slips and payment of \$6.00 is returned by Friday 8th December.

Gold Card Excursion

Congratulations to those students who have earned 20 Gold Cards this year and are off to Mundaring Sculpture Park on Thursday for their reward excursion. Students who had earned 10 Gold Cards had their movie on Monday and students choosing Book Prizes for 15 Gold Cards are enjoying the great range of books on offer!

Enrolments 2018

Our student numbers are steadily increasing at the moment which is making the development of class structures and class lists for 2018 tricky. **If you won't be returning to Bramfield Park next year, can you please let the Office know as soon as possible? Student numbers in each year level will determine whether classes are mixed or straight and also the size of the class. Class lists won't be finalised until the start of next year, as given the continued enrolment enquiries, changes are inevitable.**

P&C fundraising

The P&C have had a very successful year fundraising and have made many wonderful contributions to the learning environment through resources, as well as the physical environment. Earlier this month a projector and screen was installed in the undercover area that has been showcased at the last two assemblies. This expensive item was purchased in conjunction with the P&C and would not have been possible without their contribution of 50% of the cost. The projector and screen is an amazing backdrop and will again be used at next week's Presentation Assembly. A big thank you also to Jarria for the painting done in and around our undercover areas. The students are loving the brightly painted four square areas and the new hopscotch near the Art Room.
