

# BRAMFIELD PARK PRIMARY SCHOOL NEWSLETTER

13 March 2019

Bramfield Park Primary School Yule Street MADDINGTON WA 6109

T: (08) 9459 6401 F: (08) 9493 3009 E: [bramfieldpark.ps@education.wa.edu.au](mailto:bramfieldpark.ps@education.wa.edu.au) W: [www.bramfieldparkps.wa.edu.au](http://www.bramfieldparkps.wa.edu.au)

Dear families,

It has been wonderful to see our families coming in over the last two weeks to attend meetings, visit classrooms or come to the PThS Assembly. As members of our school community you are always welcome to come in and see the terrific learning of our students.

### Life Education

Those students who have had the opportunity to visit the Life Education van over the last week have enjoyed the programs on offer and have learnt new skills developing friendships and using the internet safely. One problem we did have last week was the number of students still paying for the incursion after the due date indicated on the permission form. As you would understand the Office is very busy, particularly in the morning as we have a number of different notes and payments coming in. This is why we set due dates for various times to ease the pressure on our Office staff. Please be mindful of when permission forms and payment are due so that your child does not miss out on attending an event.

Harmony Week is about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background, united by a set of core Australian values. Next Thursday at Bramfield Park students are invited to wear traditional dress or orange and can bring in some food representing their country to share with their classmates. We hope we have many parents joining us for the Assembly Thursday morning in their traditional dress!

### Summer Carnival

Finally I would like to wish all the students competing at the interschool carnival next week all the best. Compete with the Bramfield Park spirit and I am sure you will have a wonderful day. Thank you to Mr Huston, Mr Lake and Mr Jeffreys for accompanying the students to the carnival.

Thought of the week - Sometimes it is better to be kind than right. We do not need an intelligent mind that speaks, but a patient heart that listens.

**National Day  
of Action** against  
Bullying and Violence

Friday 15 March 2019  
**Register now!**

### NDA Assembly

I am really looking forward to the Assembly this coming Friday as we celebrate the National Day of Action (NDA) against bullying and violence. The theme for the 2019 NDA is Bullying. No Way! Take action every day. The NDA gives schools the chance to take action and empower young people to be part of the solution when addressing bullying in their school community. It provides an opportunity to focus on bullying and the big changes we can make to create safer communities for everyone. Through the assembly presentation Bramfield Park PS will take the opportunity to highlight our everyday work to counter bullying and violence. The assembly will start at 8.45am and all members of our school community are welcome to attend.

### Harmony Day / Week

Bramfield Park has a wonderful multicultural community which we will be celebrating next Thursday 21st March. Every year staff and students embrace the concept of Harmony Day with this year's celebrations for the 20th anniversary of Harmony Day, evolving to Harmony Week. Harmony Week is celebrated nationally and includes the 21st March, which is the United Nations International Day for the Elimination of Racial Discrimination. Australia is one of the most successful multicultural countries in the world and we should celebrate this and work to maintain it.

### SPORT SHORTS

Hello everyone and welcome to another year of Sport at Bramfield Park. 2019 looks to be another exciting and promising year for our students and I am looking forward to seeing them develop the skills and knowledge needed to compete successfully. Our Summer Carnival is coming up in Week 7 on Thursday 21 March. We will be fielding a boys and girls cricket team as well as a mixed softball team. The girls cricket team have won back to back titles but are now competing in the tough "A" Division so they will have their work cut out for them. Both cricket teams are in good hands though as Mr. Lake and Mr. Jeffries oversee their training during the Senior Sport sessions. Good luck to all the teams and I am sure that we will be competitive and put forth an outstanding effort.

During the first six weeks I have concentrated on developing hand/eye coordination skills with the junior primary students, while the upper primary has been busy working on their softball skills. We have also worked on team games like leaderball and spikey ball, sprinting technique and kickball. The last week of Term 1 (Week 10) the students will partake in our first Beep Test of the year, which is a way of measuring their fitness level. So far it's been a very productive term and we hope to continue this with a successful Summer Carnival. Thank you for your time and I will have a report on the carnival in a couple weeks.
