Dear families,

Semester One Reporting Interviews

It was wonderful to catch up with so many families yesterday to share the Semester One Reports. Staff always find this a particularly productive afternoon and enjoy discussing a student's progress with their family. If you have not yet been able to catch up with your child's class teacher to discuss the Semester One Report, please touch base with the teacher as soon as possible.

Family Feedback

Yesterday at the Reporting Interviews, each family received an invitation to a Family Feedback Session the School Board is holding early next term. The Family Feedback session is designed to provide an opportunity for families to talk to parent members of our School Board about topics that matter most to you! You are welcome to join Board members for a cuppa in the new undercover area on Monday 29th July at 8.45am.

Enrolments 2020

Kindergarten enrolments are now open for 2020. If your child is four years old by 30 June 2020 you can enrol them in Kindergarten for next year. Places are limited so please complete an application in the Office by Friday 26th July. It is also time to apply to enrol your child for 2020 if they are starting year 7 or changing schools. Please see the Office for further information.

Disco

What a fantastic Disco the P&C had in Week 8 for our students. There was lots of dancing, lots of games and lots of smiles from all who attended. I would like to extend a big thank you to Jim and Miffy from Die Hard Karaoke for all the wonderful music, entertainment and organisation of the Disco. Thank you also to the P&C for running the canteen, organising the event and for the fundraising that assists our school in so many ways. It was also wonderful to see staff contributing their own time to support the P&C and having fun at the Disco!

Room 6 Assembly

We are looking forward to Mr Pollacchi's Room 6 class assembly this coming Friday where the students will be sharing some of their learning from class. The theme of the Assembly will be Public Holidays from around the world. Merit Certificates and Class Citizen Awards will also be presented. All families are welcome to attend. The Assembly will start at 8.45am.

Winter Carnival

Unfortunately due to the weather forecast last week the winter carnival was postponed, much to the disappointment of our sporting teams. The students are ready to compete but are using the delay for extra training sessions. The carnival has been rescheduled at this stage for the Thursday 1st August, in Week 2.

End of Term

This Friday marks the end of second term which has been a very busy one for all staff and students. We would like to wish all our families a safe and enjoyable break and remind everyone that students return to school on Tuesday 23rd July as staff have a School Development Day on Monday.

Thought for the week – *Look after your friends. Make sure they're ok. Sometimes they are going through things that are really heavy but they might not say it!*

SPORT SHORTS

Hello everyone.

Unfortunately, due to bad weather the Winter Carnival has been postponed until the second week of Term 3. As of this writing Thursday, the 1st of August, is the tentative rescheduled date. We had a lot of disappointed students but on the positive side it will give everyone extra time to prepare and sharpen their skills.

If you're keen on basketball then we have some exciting news for you! Our Sporting Schools grant has just been approved and that will enable us to fund two experienced basketball coaches to teach basketball to interested students after school. The program will start in Week 1 and will be on Thursdays after school from 3:10-4:00pm. One coach will take 15 Yr. 1-3 students and the other coach will coach 15 Yr.4-6 students. The program will continue to the end of the term. Hurry and sign up at the office because there are only 30 spots available!

Wishing everyone a safe and enjoyable school holidays and really looking forward to Term 3, which of course is when we have our school athletics carnival! Enjoy!
