Dear families,

Winter carnival

Congratulations to all of our teams who represented Bramfield Park at the Winter Carnival in Week Two. It was a beautiful day and our students competed with great sportsmanship and skill. It was wonderful to see the students supporting each other on the field or court as well as encouraging other teams. Our Soccer team were very successful in winning B division, Hockey was a very close and credible second place in A division and Netball finished fourth in A division and fifth in B division. What a wonderful day for all of our interschool athletes. Thank you to Mr Lake, Mr Jeffreys, Rusty Snook, Ms Sneddon, Ms Bailey and Mr Huston for their organisation, coaching and umpiring on the day.

Fun Run

It was a colour explosion on our oval last Friday with the annual Fun Run to raise money for the Year 5/6 Camp in 2020. The students, and teachers, had fun getting covered in colour powder and running laps! Sponsorship forms need to be returned to the Office by this Friday with the prizes already ordered online. Thank you Mr Lake for organising a great event!

Parent Forum

Thank you to our parent representatives on the School Board for holding our Parent Forum earlier this term. It was a very productive meeting with a range of topics discussed. Notes from this meeting will be presented to the Board at our meeting next week. Thank you to those parents who were able to attend and provide feedback about our school. Later this term, at the Learning Journey, all parents will be invited to complete a short survey providing more data to drive school improvement.

Lateness

Concerns have been raised by teachers that students are arriving late, with some students late everyday. While we understand it can be a struggle in the morning to get your children to school on time, it is vitally important that students are in class, ready to learn at the start of the day, which is 8.40am. Instructions for the day and important reminders, notices and learning tasks are given first thing in the morning. Students arriving late can cause disruption and miss these instructions resulting in not being fully prepared for the rest of the day.

Thought for the week...*Do not go where the path may lead, go instead where there is no path and leave a trail.*

SPORT SHORTS

Hello everyone.

Great news to report from the Winter Carnival! Our soccer team thoroughly dominated the opposition to bring home the trophy for Bramfield! Under Mr. Lake's guidance we outscored the other teams by a cumulative 44-0 score! Obviously the defence and goalkeeping stood out and it was quite an impressive performance by everyone involved. Congratulations!

Another very successful performance was put in by our hockey squad, who came agonisingly close to bringing another trophy home. Bramfield lost to the eventual champion, East Maddington, by a 3-2 score in the opening game. Other than that we blitzed through the competition under the experienced coaching of Mr. Jeffreys Well done!

Finally our netball teams also had a successful run in the tournament, playing very competitively while competing in the highest divisions. Mrs. Sneddon had our players playing to their potential and having a great time while at it, which is all you can ask. Great job to netball!

Our Cross Country Carnival is this week (14 August, Wednesday) and hopefully the boys and girls will get a good run in for their faction and try their best. Good luck to all our students and may the best faction win! Thank you for your time and I will keep you posted on the latest results and updates in the next newsletter.
