Dear families,  
I trust all our wonderful mums had a lovely Mother's Day on Sunday. I hope you were able to spend some quality time with your children and loved ones.

### **Upcoming events**

It is going to get very busy at Bramfield Park over the next few weeks. Staff have arranged many wonderful and diverse learning experiences that add to the curriculum delivery for our students. We have Unstoppable Me, part of our Wellbeing 4 Kids program, Life Education Incursion as part of the Health Curriculum area, Golf lessons as part of the Year 4 – 6 Phys Ed lessons and Talk Money for our Year 5/6s as part of their Maths curriculum area. Notes have come home for these events, if required, and have been added to our Term Planner which is constantly being updated and is available on our school website.

### **P&C**

I would like to say a big thank you to our volunteers and P&C Members for their organisation and running of the Mother's Day Stall last Friday. I am sure many mums received some wonderful little gifts and the students really do enjoy 'shopping for mum'. We are always looking for more volunteers, so if you have any time to spare, the P&C would love your help in being able to open the canteen again or reading in the library before school on a Tuesday or Thursday morning. If you can help in any way, please pop into the Office and let us know.

### **Enrolments 2024**

A reminder that enrolments for students starting Kindy in 2024 are now open. If your child is turning 4 between the 1 July 2023 and the 30 June 2024, they can attend Kindy in 2024. Please come into the Office to complete an Application for Enrolment. You will also need to complete an Application for Enrolment if your child is starting Pre-primary or Year 7 in 2024. Having enrolments completed as soon as possible for 2024, allows the school to plan and budget for the following year.

### **Illness**

We are starting to see the beginning of the winter cold and flu season, mixed in with the ever lingering COVID. We ask please, that if your child is unwell, is showing any symptoms of the cold or flu or has to take Panadol in the morning, that you keep them home until they no longer have any symptoms. This will help keep our school community of staff and students well over the coming weeks and months.

**Thought for the week:** Sometimes all you can do is accept there's not much you can do. And sometimes all you can control is how well you let go of control. Lori Deschene

# Reminders from the Front Office

- \* Life Education permission slips and payment are due now. Please return to the front office ASAP.
- \* Did you know that you can SMS the school if your child is going to be absent? Just send an SMS to 0438 937 335. Alternatively, you can call the front office or send the absence through on Connect.
- \* Due to a lack of volunteer help, the canteen WILL NOT be open until further notice.

# Message de Madame Dye,

Bonjour tout le monde,

## French Club

French Club is on every Friday this term at first break after eating time. All students learning French are welcome. Monsieur Rambourg has had students researching cities, monuments, geography of France and foods of different regions and putting all this information onto a large map of France. The map is looking fantastic. Come along and be a part of this very interesting project.

## French Market Garden

We were not able to get the gardening done last week. Over the next few weeks we will get the garden growing with some seasonal vegetables and herbs. Keep a look out!

## French Vocabulary Challenge

This term there will be a new challenge open to all French students. The students can ask to complete a vocabulary challenge at the end of their French lesson by completing a sheet suited to their year level and the vocab they have learnt. If they are able to complete it all correctly they will pass the level, have their name added to the display board outside the French room and be awarded with a certificate and small prize. There is a bronze, silver and gold challenge, which students can progress through. It is a voluntary competition. I look forward to seeing who can complete the challenges.

## Languagenut

Don't forget to keep doing Languagenut to practise your French and be in the running for some prizes! The results for Languagenut this week:

***Our school ranking is 1028! We need to bump our ranking up!!***

## Student ranking:

Rumaysa- Room 3- 36800 points  
Panvi- Room 6- 6300 points  
Denise- Room 10- 4400 points  
Luci- Room 4- 3000 points  
Apshara- Room 10- 1600 points

## Class ranking:

Room 3 Year 1/2  
Room 6 Year 3  
Room 10 Year 5/6

Congratulations to these students and classes. Keep up the great work. The top 5 students will get a faction card and a raffle ticket. I will draw out a winner from the raffle in week 5 and 10 for a special prize!

***Au revoir! À bientôt!***

# Chaplain's Corner

A note from Miss Rebecca

Thank you to everyone for your congratulations on my recent engagement.

I thought I would take this opportunity to explain a little more about what I do.

I have been a school chaplain for 17 years in a number of schools supporting the social, emotional, and spiritual well-being of the school community while demonstrating the values of respect, compassion, and service. I focus on the well-being of our school community to help our students and families feel happy and safe.

I am a good listener and provide a supportive place to talk and also offer programs like Rainbows, Drumbeat and other Social Emotional Programs.

On a daily basis I help students deal with a range of social, emotional, mental health, personal and relationship issues as well as facilitating various programs and activities within the school community, such as Breakfast Club and special days such as R U OK? Day and National Day of Action Against Bullying and Violence.

**FRIDAY 19 MAY 2023**

Until they're ten, children must always hold  
an adult's hand when crossing the road  
[WALK.COM.AU](http://WALK.COM.AU)

Walk Safely to School Day is on this Friday so let's get our walking shoes ready! The Your Move Action Team would like to see at least **200 students** walk to school on Friday. Can we do it? **YES, WE CAN!!**

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If you must drive, park the car a few blocks away from the school or at the Community Centre and walk the rest of the way.

The forecast is for a beautiful sunny day with a top of 25 degrees. What a great day to be out and about walking and this will help reduce traffic congestion out the front of our school. You can still ride a bike or scoot to school as any active travel is a great way to stay healthy and save our environment with less cars going to and from school.

**Decorate your Shoes Competition – Get on Your Bling!**

We would like to invite everyone to decorate their shoes with some recyclable materials. You could add some feathers, colourful dots, or ribbons. It's important that you use only materials from the recycling or can be **recycled or reused**. Let your imagination run wild but avoid waste and please don't wreck your shoes.

Remember, Active Kids are Healthy Kids!

Child and Parent Centre  
East Maddington

## Child and Parent Centre – East Maddington Tuning in to Kids

Tuning in to Kids is a 6 week parenting program that aims to help parents and caregivers teach their children to understand and regulate their emotions.

Children with good emotional intelligence often have better emotional, social and physical functioning, as well as fewer behavioral difficulties.
