**Facebook:  
@BramfieldParkPS**

**Website:  
[www.bramfieldparkps  
.wa.edu.au](http://www.bramfieldparkps.wa.edu.au)**

Dear families,

It is a very busy time at Bramfield Park Primary School. Our students have been engaged in a variety of learning experiences, in and outside of the classroom. We welcome back Linda Bancroft who is running our Wellbeing 4 Kids program which all students are having the opportunity to engage with. Our Year 1 – 6 students participated in a Life Education incursion, Year 4s Bike Education, Year 5/6s a Talk Money workshop and our Kindy and Pre-primary students enjoyed a Farm Incursion today. Thank you for ensuring all permission notes and payments have been coming into the Office in a timely manner.

### **Barking Gecko Excursion**

Next term our Years 4 – 6 students have the wonderful opportunity to visit the State Theatre of WA for a performance, *The Snow*. This is a whimsical and heartfelt story about a tiny village called Kishka, whose residents become trapped by an epic snowfall. When young Thea Sutton proposes building a catapult to fling her and the village's bravest and strongest out in search of a solution, a grand adventure unfolds in a Grimmsian tale for the entire family. Our students are very fortunate to experience this performance free of charge as bus hire and entry costs have been covered by Stan Perron Charitable Foundation and Barking Gecko Theatre Wonder Club Members.

### **Winter Carnival**

Good luck to our hockey, soccer and netball teams competing at next Friday's interschool winter carnival. Information notes and permission forms have been sent home with selected representatives for each team. Please ensure notes and payment are returned by next Tuesday 20th June. The students have been training hard all term and I am sure they will represent our school with pride.

### **Reporting to Parents Interviews**

A reminder that school will close at 11.40am on Tuesday 27 June so teachers can meet with parents in the afternoon for Semester 1 Reports. You should have booked a time with each of your child's teachers through the School Interviews website or QR Code sent out at the end of May. Confirmation letters of each of your interview times will be sent home next week. Attending the interview with your child is a valuable insight into how they are going in class and their strengths and focus areas for Semester 2.

### **Winter Uniform**

As the weather is getting cooler, particularly in the morning, please ensure your child has a clearly labelled school or plain black jumper to wear to school. Any items of clothing worn, that are not school uniform purchased from the Office, need to be as plain as possible with no logos or slogans.

**Thought for the week:** Just one small positive thought in the morning can change your whole day – Dalai Lama

# Reminders from the Front Office

- \* Winter Carnival notes are now due
- \* Lost property is piling up outside the library. If your child is missing clothing, please check lost property.
- \* If you haven't already made an appointment with your child/children's teacher for Semester 1 Reporting to Parents Interviews, please do so ASAP. QR Code forms are available from the office
- \* Did you know that you can SMS the school if your child is going to be absent? Just send an SMS to 0438 937 335. Alternatively, you can call the front office or send the absence through on Connect.

# Message de Madame Dye,

Bonjour tout le monde,

## French Club

French Club is on every Friday this term at first break after eating time. All students learning French are welcome. Monsieur Rambourg had students drawing the main monuments and famous places in France, to add to our large map of France. The map is getting close to finished. Come along and be a part of this very interesting project.

## French Vocabulary Challenge

There will be a chance for students to have another go at achieving their Bronze vocabulary level in French lesson this week.

## French Cooking

To finish off a semester of French all classes will be involved in a cooking or food preparation experience to consolidate the French topic they having been doing this term. This will be different for each year level and will take place over the next few week. Notes are going home with more information about this.

## Tour de Bramfield

The famous bike race held in France each year- 'Tour de France' starts on the 1<sup>st</sup> July and goes until 23<sup>rd</sup> July. This year we are going to have our own bike riding event called 'Tour de Bramfield' This event will tie in with our 'Your Move' initiative in the school and encourage students to ride their bikes to school and be involved in a small obstacle course challenge with some check points with questions to answer. It will be a gold coin donation to enter the 'Tour de Bramfield' with all donations going to a very good cause to help our previous French Assistant Marie Huchet raise money to assist children in the village where she lives in Madagascar, to have access to sports facilities and reading resources.

'Tour de Bramfield' will be held on the first week back at school next term on the 20<sup>th</sup> and 21<sup>st</sup> July before school from 8:15-8:40am. Great prizes and lots of fun and fitness. Keep a look out for posters around the school with more information.

## Languagenut

Don't forget to keep doing Languagenut to practise your French and be in the running for some prizes! The results for Languagenut this week:

**Our school ranking is 601!! FANTASTIQUE!!**

## Student ranking:

Aphara- Room 10- 83400 points  
Shanvi Room 3- 63600 points  
Mansib- Room 9- 45900 points  
Deon- Room 9- 33200 points  
Zahra.A- Room 9- 30400 points

## Class ranking:

Room 9 Year 5/6  
Room 10- Year 5/6  
Room 3- Year 1/2

Congratulations to these students and classes. The top 5 students will get a faction card and a raffle ticket. There will be another raffle draw in week 10.

**Au revoir! À bientôt!**

**Madame Dye**

# Tour de Bramfield

Mitsiry association (which means « grow up » in Malagasy) was created in 2023 by Marie and Ando. This association is working on the education development for kids in the area of Ambalakisoa in the town of Antsirabe. The kids need access to sports and culture to develop their skills to get a decent job in the future.

## Our projects

We have two main projects :

- 1) Renovation of our gym. Why? To give access to combat sports to the kids during their freetime. (kickboxing, boxe, Bresilian jujitsu...). They could improve their physical skills and understand how sport can help them in their life.
- 2) 2) Creation of a reading room. Why? To give access to books and culture to the kids during their freetime. They could improve their learnings and skills in languages.

## Kids of Ambalakisoa

# Chaplain's Corner

## Solving Problems

The world is changing rapidly. Problem solving, emotional understanding, and knowing how to interact well with others are important skills for success in today's world. We need to encourage children to think first, rather than being reactive and doing the first thing that comes to mind.

Solving problems means making choices, it is an important skill to learn. Typically, effective problem-solving skills result in happier, more confident, and more independent individuals. When children tackle problems on their own, or in a group, they become resilient. They learn to look at challenges from a fresh perspective. Children need to face challenges and problems as they develop as it helps them develop resilience. This can be as simple as learning to ride a bike and the road rules that go with it, the challenge of a play ground, letting them choose what to wear and leaning about weather appropriateness or how to spend their allowance. You can help your child solve problems by going through the following steps.

### PATHS Problem-Solving Model

1. STOP and CALM DOWN.
2. Identify the PROBLEM.
3. Identify the FEELINGS.
4. Decide on a GOAL.
5. Think of lots of SOLUTIONS.
6. Think about the CONSEQUENCES.
7. Choose the BEST solution.
8. Make a good PLAN.
9. TRY your plan.
10. EVALUATE—how did you do?
11. If you need to, TRY AGAIN.

## Cultural Awareness with Aunty Josie

Mabo Day (3 June) is an important day in Australia's national calendar, acknowledging the significance of the **Mabo Decision** by the Australian High court for recognition of the rights of Aboriginal and Torres Strait Islander peoples as the traditional owners of their land.

## Gardener Required

Our gardener is currently on 3 months leave and we are looking for someone to fill his position for this time. You will need a Working with Children Card and an Education Department Screening Clearance. If you are interested or know of anyone who may be interested, please see the office for more information.

## **Nationally Consistent Collection of Data on School Students with Disability (NCCD)**

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the Australian Government's Privacy Policy (<https://www.education.gov.au/privacy-policy>). Further information about the NCCD can be found on the NCCD Portal (<https://www.nccd.edu.au>).

براہ کرم سونے کے سکے کا عطیہ اور پھل کا ایک ٹکڑا شیئر کرنے کے لئے لائیں۔

Nhóm chơi tại Bramfield Park

Thứ Sáu 9:00am – 10:30 am

Trong phòng Kindy 1

Trẻ em dưới 4 tuổi được chào đón với cha mẹ hoặc người chăm sóc để tận hưởng một buổi sáng vui chơi, học tập và giao tiếp.

Vui lòng mang theo một đồng tiền vàng quyền góp và một miếng trái cây để chia sẻ.

## Winter Holiday Workshops

[www.cultivatingcuriosity.com.au](http://www.cultivatingcuriosity.com.au)

**THURSDAY**  
**6 July**  
**Fremantle**

9:30 - 11:00am - PHILOSO-BRICK™ - Primary School  
11:30 - 1:00pm - Mindfulness for fidgety fingers  
Micro-Mosaics ~ 6+  
1:30 - 3:00pm - PHILOSO-BRICK™ - High School

### ✦ Mindfulness for fidgety fingers ✦

Spend some time trying out a range of mindfulness activities for when you can't sit still. Each workshop has a focus strategy that participants will take home with them.

- ✦ Micro Mosaics - design and take home your own 20x20 *Micro Mosaic*
- ✦ String Art - design and take home your own *String Art* masterpiece

**FRIDAY**  
**7 July**  
**Floreat**

9:30 - 11:00am - PHILOSO-BRICK™ - Primary School  
11:30 - 1:00pm - Mindfulness for fidgety fingers  
Micro-Mosaics ~ 6+  
1:30 - 3:00pm - PHILOSO-BRICK™ - High School

### 🔍 PHILOSO-BRICK™ 🔍

🔍 An innovative program that uses a multi-sensory approach to explore philosophical thinking. PHILOSO-BRICK™ workshops foster creativity, imagination, and social-emotional growth while developing critical thinking, abstract reasoning, and problem-solving skills. Using the Philosophy in School's community of inquiry approach and LEGO® SERIOUS PLAY® methods and materials, your child will explore ethical and philosophical ideas in a supportive and psychologically safe environment. 🔍

**SATURDAY**  
**8 July**  
**Osborne Park**

9:30 - 11:00am - Mindfulness for fidgety fingers  
String Art ~ 6+ - Parent and Child  
11:30 - 1:00pm - PHILOSO-BRICK™ - Parent and Child  
1:30 - 3:00pm - Mindfulness for fidgety fingers  
Micro-Mosaics - Parent and Child

### ✦ Parent and Child workshops ✦

- ✦ Spend some time cultivating your curiosity alongside your children.
- ✦ These sessions offer space and time for parents who want to share a unique experience with their children and for children who benefit from the comforting presence of their parents during new experiences.
- ✦ Parents will design and take home their own mindfulness masterpieces

**MONDAY**  
**10 July**  
**Fremantle**

9:30 - 11:00am - PHILOSO-BRICK™ - Primary School  
11:30 - 1:00pm - Mindfulness for fidgety fingers  
String Art ~ 6+  
1:30 - 3:00pm - PHILOSO-BRICK™ - High School

**TUESDAY**  
**11 July**  
**Floreat**

9:30 - 11:00am - PHILOSO-BRICK™ - Primary School  
11:30 - 1:00pm - Mindfulness for fidgety fingers  
String Art ~ 6+  
1:30 - 3:00pm - PHILOSO-BRICK™ - High School

**Participants attending back to back workshops are encouraged to bring a lunchbox and water bottle for an in room recess.**
