Dear families,  
Here we are at the end of another term! While the weather has been sunny this week, the winter chill has certainly arrived.

### **Semester 1 Reports**

It was fantastic to see so many students and families in at school yesterday to meet with the classroom teachers and receive Semester 1 reports. Over the course of the week, we have met with many families and discussed student academic and social and emotional progress. A hard copy of the report was available at interviews or has been sent home with your student today. Reports are also now available on Connect. Please check you can access this, as Semester 2 reports will only be distributed through Connect.

### **NAIDOC**

Tomorrow Bramfield Park celebrates NAIDOC Week. The theme for this year is *For Our Elders*. Across every generation, our Elders have played, and continue to play, an important role and hold a prominent place in our communities and families. NAIDOC stands for National Aborigines and Islanders Day Observance Committee.

In 1955, the Day of Mourning or Aborigines Day was moved from the Sunday before January 26 to the first Sunday in July. It was shifted because people wanted to focus more on celebrating First Nations cultures rather than protesting. The National Aborigines Day Observance Committee was then created in 1956 to organise national events.

In 1975, it was decided to celebrate for a whole week — rather than just one day. NAIDOC Week was born! Then in 1991, NAIDOC Week expanded to recognise Torres Strait Islander people and cultures.

At Bramfield Park we will have an assembly in the morning and then classes will work with Aunty Josie and local Elders on a variety of activities. Thank you to Mrs Landsborough, Mrs Viner, Aunty Josie and our Culture and Community committee for organising the NAIDOC activities.

### **Winter Carnival**

What a fantastic carnival we had last Friday. Not only were we successful in winning a shield in every sport, but all of our athletes representing Bramfield Park PS did so with pride, sportsmanship and friendly competitiveness. Thank you to the many parents and family members who came and supported our teams. It was great to see, and hear, so much support. Our teachers (coaches) have been working very hard and I would like to thank Mr Huston, Mr Jeffreys, Mr Lake, Miss Mitchell, Miss Beeck, Jarria and Tanika for their help in training, coaching, and umpiring. Outstanding results were Netball B: 1<sup>st</sup>, Netball C: 4<sup>th</sup>, Soccer A: 1<sup>st</sup>, Hockey A: 1<sup>st</sup> and Hockey B: 4<sup>th</sup>. Congratulations!

### **P&C**

Our last Parents and Citizens' (P&C) Meeting for the term was held last evening at 5pm in the staffroom. We encourage new members of the Bramfield Park community to come and join us. We celebrated P&C Day from earlier in the term, reviewed events held this term such as Mother's Day Stall, Sausage Sizzle and the Book Fair, and planned for events in Term 3 such as Father's Day Stall and Faction Carnival.

### **Holidays**

At the end of this week, Term 2 holidays commence. We wish everyone a safe and happy holiday break with friends and family. Students return for Term 3 on **Monday 17 July**.

# Message de Madame Dye,

Bonjour tout le monde,

### French Club

French Club is on every Friday at first break after eating time. All students are welcome. Monsieur Rambourg has been making finishing touches to the large map of France. It looks fantastique!

### French Cooking

To finish off a semester of French, all classes have had a food/cooking experience in their rooms. This week the year 5/6 students will be making pizzas. Thank you to Woolworths Maddington for the Year 4 breakfast supplies and to Bakers Delight Kalamunda for the pizza bases.

### Tour de Bramfield

The famous bike race held in France each year- 'Tour de France' starts on the 1<sup>st</sup> July and goes until 23<sup>rd</sup> July. This year we are going to have our own bike riding event called 'Tour de Bramfield' This event will tie in with our 'Your Move' initiative in the school and encourage students to ride their bikes to school and be involved in a small obstacle course challenge with some check points with questions to answer. It will be a gold coin donation to enter the 'Tour de Bramfield' with all donations going to a very good cause to help our previous French Assistant Marie Huchet to raise money to assist children in the village where she lives in Madagascar to have access to sports facilities and reading resources.

'Tour de Bramfield' will be held on the first week back at school next term on the 20<sup>th</sup> and 21<sup>st</sup> July before school from 8:15-8:40am. Great prizes and lots of fun and fitness. Keep a look out for posters around the school with more information.

### Languagenut

Don't forget to keep doing Languagenut to practise your French and be in the running for some prizes! The results for Languagenut this week:

***Our school ranking is 680!! FANTASTIQUE!!***

### Student ranking:

Apshara- Room 10- 100200 points  
Denise- Room 10- 91300 points  
Shanvi- Room 3- 63600 points

## Being Bored is Good

Gaming and devices fill so much of our children's time but being bored has huge lifelong benefits. Boredom is a state of unending possibilities and children learn to fill their time with meaningful activities.

A bit of boredom is not a bad thing – in fact it can actually do children some good, say experts at the Australian Government-funded parenting website raisingchildren.net.au. "When children are required to find something to do, they're forced to use their problem-solving skills, creative thinking and imagination to play," says Associate Professor Julie Green. "It's important for parents to play with their children but they don't have to entertain them all the time."

Boredom can also allow children to:

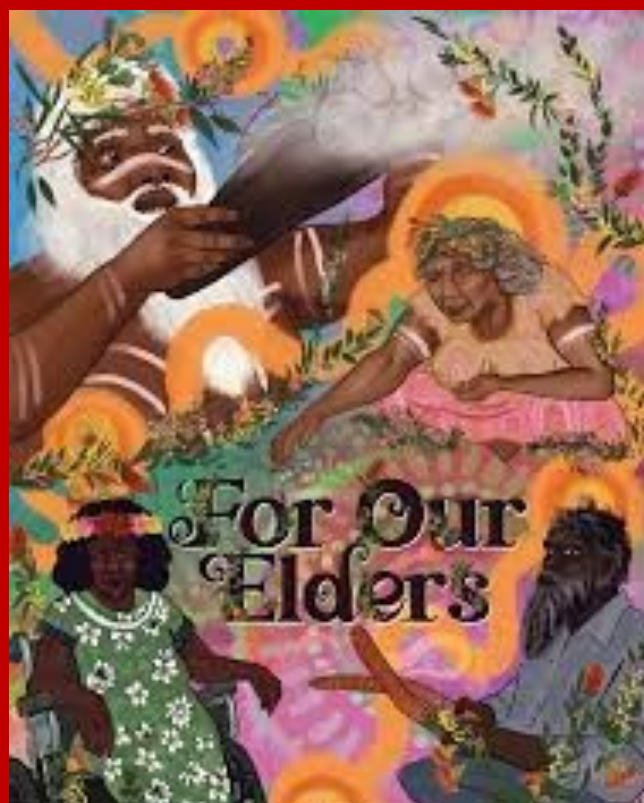

- let their thoughts and imaginations roam
- explore ideas and think creatively
- choose activities that match moods – for example, if your child is feeling full of energy, they might want and need to be physically active.

Boredom gives children practice in making their own decisions and finding ways to be interested in what's going on around them as they find things to do to fill their own time. It boosts their imagination, creativity and problem solving as they find activities to fill their own time.

## FOR OUR ELDERS

This week, we are celebrating NAIDOC 2023 with activities of damper making, story telling and singing, with Aunty Julie Boundry. We will also have a display of Indigenous plants.

# Sports Shorts with Mr Huston

Fabulous news to report from the Winter Carnival last week! For the first time ever Bramfield has won championships in **ALL** three sports; Netball B, Soccer A and Hockey A each brought home trophies last Friday and put on spectacular displays by our student athletes. The 'A' Hockey team obliterated the opposition, winning all four matches by a cumulative score of 59-0! That is amazing considering that there were no goalies to defend the goals, just a stellar defensive performance in combination with an offensive juggernaut. The 'B' also played very well, with the players giving their best effort and being competitive in every game. Terrific coaching job by Mr. Jeffreys in honing their skills needed to win it all!

The Netball 'B' team blitzed through their opponents, winning every game and using excellent teamwork to bring the trophy home. Miss Mitchell did an outstanding job getting her players ready and special thanks to all the parents who helped out with the training, coaching and umpiring as well. The 'C' team were also very competitive and really enjoyed their Interschool experience.

Finally, after several years of getting so close, our soccer team made us proud with a brilliant performance in securing our first championship in many years. Countless training sessions at lunch time with Mr. Lake paid off as our players were clearly the class of the field. Congratulations to everyone who participated in this year's Winter Carnival.... it was a special accomplishment and one to be treasured!

Our Cross Country carnival will commence on Friday 28 July (Week 2 of Term 3), with the Interschool Cross Country on Friday 11 August, so those will be the first big events of a very busy Term 3 coming up.

A huge thank you once again to all the parents, teachers and of course students who made the Winter Carnival such a huge success this year.! Thank you for your time.

Kelly Huston  
PE Coordinator

## From Mr Murray....

The soccer team achieved a remarkable accomplishment by winning the A division for the first time in history. This feat was made possible by the hard work and commitment of the students who dedicated their lunch breaks over the past term and beyond to practice. The team's success was a result of the whole team's collective effort, and stand-out individual contributions from players like Mojtaba who scored 9 goals and provided 4 assists, Muzamile who scored 7 goals and provided 6 assists, and Jasvin, Zulfiqar, and Tylar who consistently won the ball in midfield and defense. Congratulations to everyone involved for this fantastic outcome!

## From Miss Mitchell....

Congratulations to both netball teams. The C division team came 4<sup>th</sup> and the undefeated B team took home the shield for their division. Everyone who participated in the carnival showed great sportsmanship and dedication to training. A big thank you to all the families that came to watch support our teams. Thank you to Jarria and Tanika who helped with the coaching and umpiring of both teams. A big congratulations to everyone that played on Friday.
