Dear families,
That brings us to the end of another very busy but productive term at Bramfield Park.

Learning Journey

It was wonderful to see so many families coming through the classrooms for our recent Learning Journey. It is always a great opportunity for our students to showcase the learning they have been doing and the progress they have made. Having the Library, Music Room, Art/French Room, and the Phys Ed area open also gave a wider perspective to the learning experiences available to our students. Thank you to those families who were able to attend; it is important to have you as part of your child's education.

School Photos

3P Photography have been in taking our class, sibling, graduation, and student leaders' photos. Staff will proof the photos this week with the hope that photos will be ready early next term. Photos can still be purchased by visiting the website <https://www.3p.net.au>

Sports Carnivals

The weather was very kind to us on Tuesday with a beautiful sunny day for our field events. Students competed in long jump, triple jump, long throw, 200m and 400m. On Friday we held our track events with sprint races, team games and relays. It is a lot of work organising carnivals so a huge thank you to all our staff and the P&C volunteers for what was a very smoothly run day. A special thank you to Mr Huston and Ms Castle for their preparation of the carnival. Congratulations to our winning faction, for the first time, Wirli Wirli. It was a fantastic day of competition and sportsmanship. Congratulations also to the students receiving medallions for championship points.

Our interschool team will now be selected and represent Bramfield Park next term.

R U OK? Day

We acknowledged R U Ok? Day at Bramfield Park last week. This is a very important day on the mental health calendar. R U OK? inspire and empower everyone to meaningfully connect with the people around them and start a conversation with those in their world who may be struggling with life.

You don't need to be an expert to reach out - just a good friend and a great listener.

Use these four steps and have a conversation that could change a life:

Ask R U OK?

Staffing Term 4

There will be some staffing changes next term as Mr Huston and Madame Dye will be away for the whole of Term 4; they will return next year! Mr Miller will be taking the Phys Ed classes and Mrs Edwards will be taking French. I am sure they will enjoy their time at Bramfield Park, and we wish Mr Huston and Madame Dye safe travels as they go on new adventures.

Holidays

We would like to wish all of our families a happy holiday break with hopefully lots of sunshine and fun times with loved ones. Please note Term 4 resumes for students on Monday 9 October.

Thought for the holidays: Sometimes we can only find our true direction when we let the wind of change carry us. Mimi Novic

Message de Madame Dye,

Bonjour tout le monde,

French Club

French Club is on every Friday at first break after eating time. All students are welcome. At our last French club session we had a lot of fun playing Floor is Lava in French and the students got to try a special French lolly called a 'Carambar'.

Languagenut

Languagenut results are displayed on a leaderboard outside the French/Art room. The top 5 students will be rewarded with a faction card and a raffle ticket each week. There will be another raffle draw at the end of this week.

Term 4

It sure has been a busy term with our Tour de Bramfield and Etienne concert. There has been lots of French fun and learning. I am taking leave in Term 4 to do some travelling with my family. Madame Edwards will be teaching French next term with the wonderful continued assistance of Monsieur Rambourg! All the best for a wonderful rest of the year and a fabulous summer break, and I look forward to seeing you all next year. All the best to the graduating year 6 students and I wish you well in high school and beyond!

Garden Update

The Green Team have been doing a fantastic job helping in the garden. They look very smart in their green vests that Mrs Pulley, Mrs Royle and Mrs Ramsden helped order and label with our very own personalised logo.

We have had two very successful market stalls this term which has helped raise some money to buy more things to help our garden. The Green Team along with some other fabulous volunteer helpers have been giving up some of their recess time on a Wednesday to care for their school environment and pick up rubbish and keep our grounds tidy. This has been so wonderful to see and let's hope we find less rubbish in the future.

Message de Madame Dye cont..

We now have five fruit trees growing along the back fence in our garden; a Manderine, an orange, a lemon, a kumquat and a Lilly Pilly tree.

We look forward to watching them grow and hopefully start to get some fruit from them next year.

We also have recently planted some corn and cucumber seedlings, which were kindly donated by Richard - Emily and Lillyanne's granddad. The pre-primary students in room 7 harvested their snow peas this week and got to take some home to share with their families. They also got share some other green goodies from the garden such as Lettuce, Silverbeet and Spinach.

The potatoes the year 1 students planted are almost ready to harvest which is also very exciting.

Music Incursion

Week 2 of Term 4, there will be a whole school music incursion. The West Australian Symphony Orchestra (WASO) will be visiting our school, bringing with them the full range of instruments. It will be an interactive performance and hopefully engage and spark student interest in the musical area. We look forward to welcoming them to Bramfield Park PS.

Out & About in the Community

Congratulations to one of our Year 2 students, Larah McBeath-Hodgson on her recent performance at a state cheerleading competition. Larah and her team walked away with gold. We are super proud, well done!

Well done to our very own Mrs Blake & Miss K for completing the 12km City to Surf competition a few weeks ago. Way to go Mrs Blake & Miss K!

That's a Wrap for Term 3

It's been an exciting term full of Your Move activities.

Walking Warriors Spring into Action

The Your Move Action Team would like to thank all those students who became "Walking Warriors" this term since September 1st. Keep getting your walking green card hole punched at the gate. On Friday morning, place your green card in the post box in the office. Those students who have walked to school the most between will receive an amazing 'Walking Warrior' prize pack!

Also... for the class that have the most 'Walking Warriors', will also receive a class prize on Friday.

Bike Spies

It's been wonderful to see our riders increase over the last couple of weeks. We haven't quite reached our goal of at **least 30 bikes and 10 scooter daily!** We've had some bike spies out and so far, 5 lucky riders have found a bright colour tag on their bike or scooter and received a bike prize pack. Consisting of either a bike pump or bike lock, a pen, and a water bottle. Bike spies will continue to be on the lookout until the end of term, so keep riding. I wonder if there will be more riders identified.

Bike Month - October

October is Bike Month, and we have lots of exciting things happening early next term, including another **Dress Up Your Bike Competition**. More information will be out early next term.

The Department of Transport Your Move Team invited our school to be part of a whole school large scale bicycle artwork. Students were arranged in the outline of a bike frame and a photographer took an aerial photo to help promote WA Bike Month (October) across the state. Photos will be in our next newsletter. A big thank you to our students who made this process smooth and easy for the photographer. He was very impressed with Bramfield Park Primary School.

Have a happy holiday and be road safe while enjoying your break.

Sports Shorts with Mr Huston

Hello everyone! Well, as Term 3 winds down the big news of course is what happened at our school athletics carnival last Friday. On an overcast drizzly day the reign of the faction that has dominated the event for the past five years finally came to an end. Kep tried hard but had to settle for third place as a resurgent Karla battled Wirli Wirli for top spot throughout the day. In the end it was Wirli Wirli who were crowned the new champions, much to Mrs. Murray's delight!

Special thanks to everyone who helped make the carnival run smoothly; with our parents, staff and students all contributing towards a great day of fun. We also have individual achievements to acknowledge in athletics. Here are the top finishers for each year level:

	Champion	Runner Up	Third Place
Year 1 Boys:	Ichiro	Safwan	Tama
Year 1 Girls:	Zoe	Kamyah	Varsini
Year 2 Boys:	Lewis	Jamie	Travis
Year 2 Girls:	Kimberly	Hadis	Marimar
Year 3 Boys:	Adin	Dylan	Daniel
Year 3 Girls:	Leianna	Annahitha	Alexis
Year 4 Boys:	Eman	Gowreesh	Ali
Year 4 Girls:	Lexie	Naomi	Ayla
Year 5 Boys:	Beau	Harinesh	Levi
Year 5 Girls:	Kalahni	Zahra A	Isabella
Year 6 Boys:	Muzamile	Zeke	Locklyn
Year 6 Girls:	Aiman	Shannel	Rachel

Congratulations to all our award winners and well done to Wirli Wirli!

I will be off to America for long service leave in Term 4 but will be leaving you in very capable hands... Ben Miller will be taking over for the term and I am sure it will be a fantastic finish to what has been an outstanding year for Bramfield Park in the sporting world. Thank you for your time and see you next year!
